55TH ASSEMBLY DISTRICT HONORS

Distinguished WOMEN of the YEAR

We are pleased to announce the 55th Assembly District's Women of the Year honorees for 2024.

Dr. Gail Willis is renowned in the local community and among state leaders as a lifelong teacher, activist, and organizer.

Mayor Yasmine-Imani McMorris is the first Black woman to serve as the mayor of Culver City and a devoted champion of equity in education.

These honorees have achieved positions of influence, been voices for progress, and affected positive change for the people of California. On behalf of the 55th district, we congratulate Dr. Willis and Mayor McMorris on this well-deserved honor.

Important Information for Homeowners

If you are a California resident who received a non-renewal notice from your insurance company, you have options.

Helpful tips as you navigate next steps:

- Contact your insurer and ask if there are any specific actions you could take to mitigate your risk and retain your coverage
- [File a complaint](#) with the California Department of Insurance if you feel the non-renewal notice is unfair
- Shop for a new homeowners' policy by searching the California Department of Insurance home [insurance finder tool](#)
- Use the homeowner's [insurance comparison tool](#) to compare policies from different insurers
- Visit the [California FAIR Plan](#) for basic fire and smoke coverage
- Learn about [Difference in Conditions \(DIC\)](#) policies

In California, an insurer must notify policyholders at minimum 75 days before a policy expires. If your insurer did not provide 75 days' notice, contact the California Department of Insurance at 1-800-927-HELP or visit insurance.ca.gov

Access to Technology (ATT) Program

A Program that provides access to digital connectivity for older adults and adults with disabilities.

The Los Angeles County Aging & Disabilities Department (AD) Access to Technology (ATT) Program aims to support the diverse needs of older adults and adults living with disabilities by providing them access to digital connectivity.

The purpose of the ATT Program is to reduce isolation, increase social connections, and enhance self-confidence among older adults and adults living with disabilities as well as increasing digital literacy for those who are eligible.

Eligible participants will receive a customized Samsung tablet, that is specially configured for the ATT program, and digital services that include updates and remote troubleshooting.
